

CO	VI	D-	1	9
Try to buy cleaning wipes but can't because they're sold out	See someone wearing a facemask	You've gone full prepper and bought bulk TP	See someone insist on proper social distancing (4+ft)	Receive unsolicited "Fight the Coronavirus" advice
See someone use hand sanitizer	See someone actually washing hands for 20 seconds	See someone touch face with hands after they've touched a communal object	See someone refuse to shake hands with another	Confirm co-worker stayed home because they were feeling sick
See someone cough into elbow	Have plans cancelled due to Coronavirus	COVID-19 FREE SPACE (Only available to those who live alone, had no plans to ever leave their house again, and plan to never come in contact with anything from the outside world.) EARN THIS SPACE BY COVERING MOUTH WITH ELBOW EVERY TIME YOU COUGH/SNEEZE	See someone else freak out when they try to buy cleaning wipes but can't	Stay home because you are feeling sick
You've gone full prepper and bought water in bulk	Meet someone who doesn't know what a "prepper" is	See someone ignore requests for proper social distancing	See someone sneeze into elbow	See someone blow nose then touch a communal object before washing their hands
Meet someone who hasn't heard of COVID-19	Give unsolicited "Fight the Coronavirus" advice	See someone disinfecting surfaces in what seems to be a proper amount	You consistently wash your hands for 20 seconds	See someone over-disinfecting surfaces
<p>See someone cough or sneeze without covering their face? Game over.</p>
